Mr. Paramasiviah —

Are Government aware that in certain cases *takrars* were presented after the grant of lands to Panchamas whereupon the grants were cancelled and the lands resumed?

Revenue Secretary.—

No. If details are given, the question can be answered.

Mr. Byanna.—

Are not Government aware that such a case occurred recently in the Mantapa village of the Jigani hobli in Anekal Taluk?

Dewan.—

That may be a specific instance and Government want sufficient notice to answer it.

Mr. Byanna.—

Do Government propose to look into the records of the case?

Dewan.—

Government will note the point for enquiry.

MR. NILGIRI G. SANJIVIAH (Bangalore City).

Q.—**3.** Will the Government be pleased to state.—

(*a*) How many non-Mysoreans are in the Gazetted and Non-Gazetted Service of the State, what are their names and designations?

(*b*) How many of them are there in Technical Departments and how many in non-technial departments?

(*c*) How many of them have passed the Kannada examination prescribed in the Mysore Service Regulations?

THE CHIEF SECRETARY TO GOVERNMENT.—

A.—In the absence of a clear indication as to the interpretation to be given to the term "Non-Mysorean", it is not possible to compile the required information.

Supplementary Questions.

Mr. Sanjiviah.—

With reference to the above answer, will Government be pleased to say how the term has been interpreted in answering question No. 38?

Chief Secretary.—

The reference in reply to question No. 38 was to people coming for treatment from outside Mysore.

Mr. Sanjiviah.—

The terms "Mysorean" and "Non-Mysorean" having been used in the rules relating to the recruitment to the Mysore Civil Service, why should not the same interpretation as in that case be given with a view to answer this interpellation?

Chief Secretary.—

An attempt was made to furnish information on the same basis, but there were practical difficulties and the information could not be ascertained.

Mr. Sanjiviah.—

Do not Government consider that the question is important enough to be answered, though it involves some difficulty?

Dewan.—

Arguments are out of order in connection with interpellations. As already said, if a proper definition of the term "Non-Mysorean" is given, the information asked for by the member will be furnished.

MR. NILGIRI G. SANJIVIAH (Bangalore City).

Q.—4. Will the Government be pleased to state.—

(*a*) What attention have the Government given to the resolutions passed by the Representative Assembly in the Birthday and Dasara Sessions of 1924 about the uplift of the non-brahmins?

(*b*) If they have not yet given any effect to those resolutions, will the Government be pleased to state why?
